4. MEDALLION SIGNATURE GUARANTEED BY:

Medallion Signature Guarantees can be obtained by an eligible guarantor institution in accordance with procedures established by BFDS. A Medallion Guarantee is a widely accepted way to protect shareholders and the Fund by verifying the signature of those signing the request. A Medallion Guarantee Stamp may be obtained from an eligible guarantor of the Medallion Guarantee Program, which includes commercial banks, trust companies, savings associations and credit unions, as defined by the Federal Deposit Insurance Act. Also, included are member firms of a domestic stock exchange. *Non bar-coded guarantees or stamps from a Notary Public are not acceptable.* For those signing in capacity other than the account owner, a capacity must be indicated beside or beneath the signature. Prior to signing, contact the guarantor to determine what documentation is needed and confirm the guarantor will insure the amount of the transaction. For additional clarification on Medallion Signature Guarantees, please call CGM Shareholder Services at 800-343-5678.
